# Not A Handout.

Habitat for Humanity is an independent, non-profit, housing program dedicated to the elimination of poverty housing by building homes in partnership with families in need.

Our ministry is to provide simple, decent, affordable housing to those who would not qualify or be able to afford a conventional mortgage.

Our program is about home *ownership*, a long term solution to break the *poverty* cycle.

# 1

## How are the homes funded?

Habitat for Humanity Sudbury District builds homes with volunteer labour and as much donated or cost-reduced material as possible.

Fund raising takes place to help offset expenses of materials, services and land when they are not available through donations.

Financial support is received from individuals, corporations, service groups and the faith community. Mortgage payments from current homeowners are retained by the affiliate, which holds the mortgages to fund future projects.

The "Restore" is a retail store located at 250 Froot Road.

Where we accept building material donations for re-sale. A great place to shop for all kinds of odds and ends – nothing too small or too big or too old.

## BENEFACTORS

*Great Thanks owed to the following Businesses, Donors and Volunteers who assisted us in Renovating our latest 2007 donated home. It has sold!  
Yet another successful fundraiser has been achieved.*
