

Building Homes. Building Hope.

Dear Brothers and Sisters IN Christ:

I would like to share with you a powerful vehicle in helping others in fighting poverty and providing affordable housing and hope for families in the Sudbury district.

Habitat for Humanity Canada is a faith based, national, non-profit organization, founded locally in 1985. Presently, it consists of 72 affiliates from coast to coast and involves over 35,000 volunteers.

Habitat for Humanity Canada is a member of Habitat for Humanity International, which works in 73 countries, has built over 225,000 homes, and is now building a home every 21 minutes.

The mission of Habitat for Humanity is to mobilize volunteers and community partners in building affordable housing and promoting homeownership as a means for breaking the cycle of poverty for more than a million people.

As I write this letter, our affiliate, Habitat for Humanity Sudbury District, is feverishly completing the various aspects necessary to facilitate our next build for a selected candidate in the area. Your congregation may wish to be a part of this life changing witness to love of Christ in action?

Our affiliate Faith Relation Committee would like to provide you with education materials, speaker, power point presentation covering an overview of Habitat for humanity. In addition, we would like to explore with you how partnering with Habitat for Humanity can benefit your congregation and local affiliate as well as local families in need.

A member of the Faith Relation Committee will follow up with you to see how our committee can best serve you.

Yours in Christian Service

**Rev Ivan Rayner
